Common fixed point results in b-K-metric spaces

Ion Marian Olaru, Adrian Branga

Abstract

In this paper we introduce the notion of b-K-metric space and prove some common fixed point theorems in complete b-K-metric space.

2000 Mathematics Subject Classification: 47H10.
Key words and phrases: b-K-metric spaces, common fixed points, point of coincidence, K-metric spaces, cone metric spaces.
