The generalization of Berker’s inequality with one parameter in $\mathbb{E}^{n-1}$

Yu-Dong Wu, Mihály Bencze

Abstract

In this short note, we give a generalization of Berker’s inequality with one parameter in $E^n$ by using the theory of Schur-concave function.

2000 Mathematics Subject Classification: 51M16, 52A40.

Key words and phrases: simplex, Berker’s inequality, Schur-concave function.
