

DECISION

The Council of the Department of Mathematics and Informatics decide the following:

1. We enjoy the idea of a scientific collaboration between us and Professor Dan Eugen Ulmet, in the sense of research programs/centers, conferences and summer schools.
2. We also establish a first conference, with the title "Technology Trends in 2013. The State of the Art at Mercedes-Benz. eSmart – eCar. Porsche Design", which will take place (proposal date) in 09.10.2013.
